

## Replacement Tyres

# Keeping your vehicles legal and mobile.

We provide replacement tyres for your fleet vehicles to make sure that your drivers are safe and remain within current legislation at all times.

### Our service.

As part of all fully maintained vehicle contracts, the cost of replacement tyres is included for the life of the contract. Tyres can be replaced at an approved supplier or via a mobile tyre fitting service. We offer a Fair Play on Tyres policy which means that tyres damaged by puncture are not recharged\*

\*New Lex Autolease customers, existing Lex Autolease customers and existing Lex sole supply customers with 200 + vehicles. Tyres must be replaced through our approved supplier. This does not apply to tyres damaged as a result of theft, vandalism or collision.

### Replacement Tyres – the benefits.

Our one call booking service helps your driver to get tyres replaced quickly and conveniently. With our Fair Play on Tyres policy we include the cost of tyres within the monthly rental helping to keep tyre recharges to a minimum.

It also helps to maintain driver safety by replacing the tyre at a tread at a depth above the legal minimum.
